JOB Vacancy: Rugby League Development Manager – Northland

This role is responsible for managing all junior and youth Rugby League activity in Northland. This role will be a combination of delivery, planning and also managing RLN Development Staff.

Core to this role will be to deliver and manage Leadership through League schools programme to Secondary, Intermediate and Primary Schools. This programme will drive the development of Schools competitions which will provide and promote pathways to Club league and Northern Swords representation. Managing junior club and grade development, while working alongside existing clubs to enhance competitions that RLN delivers.

This role reports directly to the RLN General Manager.

If you have experience in: relationship building, coaching, teaching or sports development, worked within schools, communication skills, computer literacy and are able to prioritize your work load then apply now. This is not a 9 to 5 job as weekend and late-night work is essential to this role. Full Driver's License essential.

Successful applicant will need to undergo a rigorous police and referees check.

Please apply with Cover Letter and C.V. to
